

Jackson Hole Stingrays 2025-2026 Volunteer Requirements

For the 2025-2026 season, we will be requiring the following:

- Each family is required to fulfill 10 volunteer hours per swimmer per session, as defined as Fall, Winter, and Spring sessions
- Summer session will be excluded

Some things to note:

- Volunteer hours will be tracked by the Board
- Board will create a sign up system and send out information before Sept 1st for families to sign up for tasks
- Families attending meets that are NOT hosted by the Stingrays will be expected to help time and these hours will not count toward your volunteer requirements, as they are an expected part of traveling to meets
